Who Are the Great Preachers.

The great possibles of the world have been those who werein direct sympathy with these life, and who had an out to gain each the mon bales them. But with culture and schola lie habits mon have interpreted able word of God, "Follow ma, and I will plake your preacher of seminar." The and of preaching is not a good sormon, but a holy hear. Fire sormons have nearly rained good preaching. If ministers cared may for their people and less for their own sormons, they would be more useful. Frequing final almost as sold to be a living business between a means horst and the wants of his between a men's horst and the wants of his congregation. Learning chetoric, changed, he god a scollagral inducates, but no man will win souls who does not feel the throbling pulse of his whole congregation; who does not know their lives; who does not understand his betake the planery traths of Christianty, and apply them to the constitutes of the mity, and apply them to the constitutes of and mity daily betakes life. Such preaches and only such will be contained. ides; and such preaching is necessary to the

VARIETY STORE! SMILEY SHARON

BUCKEYE MOWER

WE are now prepared to receive orders for the Buckeye Mower and Reaper for the approaching season.

The merits of the "Backeye" are too well known in this county to require the publication of a long article setting forth its many decided advantages over other machines.

All wanting machines had botter apply seen, as the number assigned to us by the markey.

as the number assigned to us by the markfacturers is small, and almost one-half of them are ordered already. We are his meants for the "Sweepstake" and Pitt Toreshing Machine.
